# Welcome

We would like to welcome you to our Annual Quail Valley Farm's bull, female, and embryo sale!

This year's sale we will offer a tremendous set of cutting edge "Brangus Southern Belles." On the evening of Friday, November 11th, we will also be selling the entire six year old, and older, Salacoa Valley herd. This offering of Brangus females combines our newest cutting edge genetics along with our most proven stable genetics.

In addition, on Saturday, November 12th, we are offering an exciting set of Brangus and Santa Gertrudis bulls. Along with a fancy set of commercial females. These bulls are guaranteed to go to work for you and give you a value added product in return. These bulls have been expertly conditioned to not have any structure or pasture efficiency issues due to prior nutrition.

It is truly our goal at Quail Valley Farms and American Cattle Enterprise to produce a predictable, productive, product for the beef industry to utilize for enhanced efficiency and profitability. With that said, there is over 30 years of genetics that have been measured and matched to create the assurance that these cattle will do the job. From Angie and myself, we sincerely appreciate your interest and belief in our ranching program. We consider ranching not only as a business, but a responsibility to do our part in feeding protein all over the world.

If you have any questions please do not hesitate to reach out to myself or anyone on our staff. We hope you will come and enjoy great food, great fellowship, and great cattle.

God Bless,  
Ricky Cleveland

10:30 AM **BRANGUS & SANTA GERTRUDIS BULL SALE**  
**COMMERCIAL FEMALE SALE** to follow immediately.  
**OPEN TANK ONLINE EMBRYO SALE** bidding opens at close of commercial female sale.

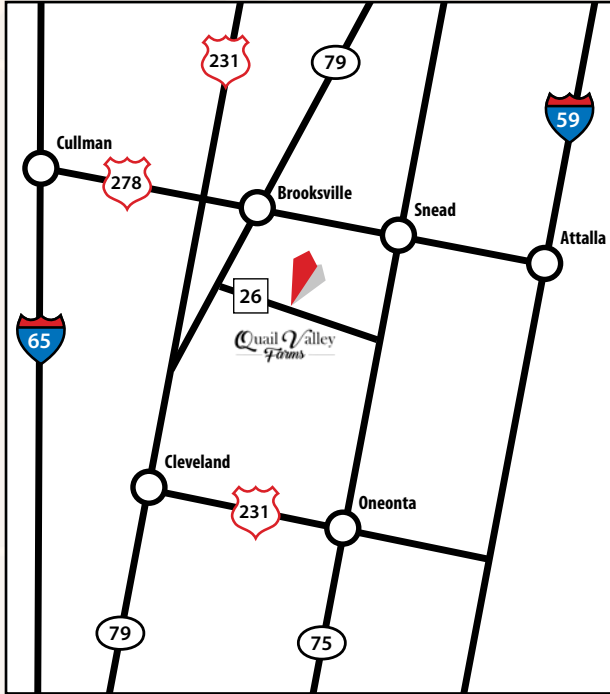

### Monday, November 14<sup>th</sup>

2:00 PM **Quail Valley OPEN TANK Online Embryo Sale** closes

# Map & Address

**GPS ADDRESS FOR QUAIL VALLEY SALE FACILITY**  
 17761 County Highway 26 | Blountsville, AL

**Can't make the sale? Watch & bid online for FREE at [www.dvauction.com](http://www.dvauction.com) !**

**Buying online is as easy as 1, 2, 3...**

1. Create an account at [www.dvauction.com](http://www.dvauction.com) under the "register" tab
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction-a DV representative will notify you once you have been approved
3. Tune in for the sale and make your purchases!

After the sale, contact the sale manager or owner to arrange transportation and payment. **High speed internet** is required for successful bidding-be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

**Proxy Bidding**-if you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

**Having troubles?**  
 During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.

- ACE of Spades 406J truly checks all the boxes while at the same time brings new genetics to the main line pedigrees of the Brangus breed.
- 406J is own son of Never Surrender 803D9. His maternal granddam A50511 is a super donor that sold to Phillips Ranch for \$32,000 in the 2020 Houston Genetic Edge Sale. She is an ultrablack that was bred to introduce cutting edge stabilized genetics into the Brangus breed by using extreme Angus carcass genetics. She is also the dam of By Design of Salacoa 406F10.
- ACE of Spades 406J's GEPDs and indices are absolutely flawless ranking in the top 1% for REA, top 4% for IMF, top 5% for CED, top 10% for WW, Stay, top 15% for BW, WW, Fert, top 20% SC, and top 40% Milk.

**Tremendous phenotype**

- ACE Picture Perfect 111J23 is the first BWCC Burly 889G40 son to be sold. His dam BWCC 111C24 sold to Plainview Farms in the June mature cow sale.
- Picture Perfect lines up adequate growth and tremendous carcass in his EPDs. With that said, he is extremely moderate in frame with a ton of bone and foot.

**Lot 20** - ACE PICTURE PERFECT 111J23

All EPDs and footnotes in the Santa Gertrudis bulls are based off of the September 2022 Santa Gertrudis Breeders International (SGBI) EPD run. SGBI updates EPDs and percentiles on a monthly basis (please visit [www.santagertrudis.com](http://www.santagertrudis.com) for the most up to date information).

**Growth, and Muscle with phenotype**

- TF Owens J036 is built like a bull should look. He has been a standout his entire life.
- His pedigree is stacked performance and pounds on the ground.
- The first three Santa Gertrudis bull lots are named after the members of the legendary Alabama band.

**Lot 114** - TF OWENS J036

# TRIBUTE TO THE 23 Cow Family

We are so proud to feature and celebrate the “Salacoa 23” cow family by offering a great set of “23” females and this year’s sale.

**Lot 177** - QVF MS PERFECT FIT 23J14

**Lot 178** - QVF MS PERFECT FIT 23J15

**Lot 180** - QVF MS PERFECT FIT 23J20

**Lot 181** - QVF MS PERFECT FIT 23J21

**Salacoa Pine Lass 23D2** - THE MATRIARCH

The “23 Pine Lass” cow family was originated by the late Pioneer Brangus breeder Mr. David Vaughn. David believed in a “great cow” first in his program. With that said, he stacked the “23” cow family for decades with some of the most proven sires in the business. Breed changing sires like Cadence of Brinks 535D3, Transformer of Brinks 784E6, TCB Catawba Warrior R532, New Era of Brinks 541J37, Uppercut of Brinks 14J8, Patton of Brinks 30T22, Stonewall of RRR 222W6, Lambert of Brinks 317R3, Atlanta of Salacoa 488Z, to name a few are bulls that one will find stacked through the “Salacoa Pine Lass 23” cow family.

**Lot 208** - MS SALACOA STONEWALL 23D47

**Lot 209** - MS SALACOA STONEWALL 23D5

From David Vaughn’s work, today some of the most predictably efficient and profitable Brangus females are working in herds and donor pens across the World. “23” branded herd sires are servicing purebred and commercial herds alike in pastures across continents. It easy to say that several millions of dollars have been generated over the years with the “23” brand being on the side of Brangus cattle. With that said, eternity is a big word, but we believe that the “Salacoa 23” family has proven that it will sustain the test of time and will continue to thrive in producing some of the “great cows” and bulls in the breed for a long time coming.

# THE COMPLETE SALACOA VALLEY FARMS

## Mature Cow Herd Dispersal

LOTS 202 - 270

We are offering the entire 6 year old and older herd of Brangus cows from our Salacoa Valley program. These cows have a proven history of being profitable functional producers. Many succesful Brangus operations have built their individual programs with the purchase and production of the 6 year old offering from SVF over the years. With that said, the 40+ year foundation of proven Brangus genetics is still in tact and available to build or add to any program.

You will find many donors through out the offering as well as cows that should have been flushed. You will also find cows that have raised embryo calves from other donors. Some of which are donors themselves. This was done non-discrimiantly by SVF management. They had decided to put in a large set embryos and due to the shortage of recipients, they blanket setup pastures of cows and what cycled is what they used. With that said, we left the ET born calves at the side fo the registered Brangus cows to show our 100% transparency and to benefit you our customer.

**Granddaughter of a breed matriarch.**

- Nice EPDs ranking in the top 3% REA, top 10% REA, top 15% WW and top 20% YW.
- Her maternal granddam MS South Gate "Fancy" 804H33 is the matriarch donor cow to the Famous Douguet 804 cow family. With that said, there have probably been more 804 show champions across the World than all other cow families combined.

Farms

FALL 2022

# Commercial Females

LOTS C-1 - C-15

We are offering several fancy sets of commercial replacement females. They are home raised cattle.

## C-1 1 COMMERCIAL 3-N-1 HEIFER CALF PAIR

TAGS 271-272 AMERICAN CATTLE ENTERPRISE

Contact info: Richard Hood 979.224.6150

Description: **Black first calf heifer.** "Super American" 1/4 Brangus x 3/4 Santa Gertrudis. 7/8 purebred Santa Gertrudis 7 month old heifer calf at side. Heifer calf is sired by SR Paradigm 135/7. Bred back to elite Santa Gertrudis bull "Churchill". Bred 2nd Trimester  
Papers are available. 20201652 - 20221865

## C-2 1 COMMERCIAL 3-N-1 HEIFER CALF PAIR

TAGS 273-274 AMERICAN CATTLE ENTERPRISE

Contact info: Richard Hood 979.224.6150

Description: **Black first calf heifer.** "Super American" 50% Brangus x 50% Santa Gertrudis. 3/4 Santa Gertrudis 6 month old heifer calf at side. Bred back 4 months to an Elite Santa Gertrudis bull "Churchill". Bred 2nd Trimester  
Papers are available. 20207397 - 20221863

## C-3 1 COMMERCIAL BULL CALF PAIR

TAGS 275 AMERICAN CATTLE ENTERPRISE

Contact info: Richard Hood 979.224.6150

Description: **Brindle first calf heifer.** "Super American" 50% Brangus x 50% Santa Gertrudis. 3/4 Brangus bull calf at side born 9/13/22-He is sired by Brangus DMR Kingdom 535G45. Sells open

## C-4 1 COMMERCIAL SPRING BRED HEIFER

TAGS 276 AMERICAN CATTLE ENTERPRISE

Contact info: Richard Hood 979.224.6150

Description: **Brindle bred second calf cow.** "Super American" 50% Brangus x 50% Santa Gertrudis. Spring bred to an Elite Santa Gertrudis bull "Churchill". First calf was born March 22' Bred 2nd Trimester

## C-5 3 COMMERCIAL SPRING BRED COWS

TAGS 277-279 AMERICAN CATTLE ENTERPRISE

Contact info: Richard Hood 979.224.6150

Description: **Pen of three second and third calf cows.** They are 50% Brangus x 50% Santa Gertrudis. Bred back second trimester to an Elite Santa Gertrudis bull "Churchill". All three had 22' spring calves that we weaned prior to the sale. Bred 2nd Trimester

## C-6 5 COMMERCIAL FALL BRED HEIFERS

TAGS 280-284 AMERICAN CATTLE ENTERPRISE

Contact info: Richard Hood 979.224.6150

Description: **Pen of five Black "Super American" Bred Heifers.** 50% Brangus x 50% Santa Gertrudis. All are 7-8 months plus. Bred to Brangus or Horned Hereford bulls. Bred 3rd Trimester

## C-7 4 COMMERCIAL SPRING BRED HEIFERS

TAGS 285-288 AMERICAN CATTLE ENTERPRISE

Contact info: Richard Hood 979.224.6150

Description: **Pen of four Black Brangus cross Bred Heifers.** Multi Generation Brangus. All four are bred to a Brangus or horned Hereford bull. Bred 2nd Trimester

## C-8 3 COMMERCIAL SPRING BRED HEIFER

TAGS 289-291 AMERICAN CATTLE ENTERPRISE

Contact info: Richard Hood 979.224.6150

Description: **Pen of three Brangus cross Bred Heifers.** Multigeneration Brangus. All 3 are bred to horned Hereford bull. Bred 2nd Trimester.

## C-9 1 COMMERCIAL SPRING BRED HEIFER

TAGS 292 AMERICAN CATTLE ENTERPRISE

Contact info: Richard Hood 979.224.6150

Description: **One Brangus x Hereford "Super Baldie".** Bred to either a Brangus or horned Hereford bull. Bred 2nd Trimester.

## C-10 4 OPEN HEIFERS

TAGS 293-296 HIGH ROCK FARM

Contact info: David Walker 256.264.5556

Description: **Open, Black Baldy heifers, ready to breed.** By Walls Hereford Bulls and out of UltraBlack cows

**C-11 4 OPEN HEIFERS**

TAGS 316-319

COLD CREEK RANCH

Contact info: Tom Davis 404.374.3102

Description: **Registered and Commercial Brangus and Ultrablack Heifers. Bred 2nd Trimester to top end Brangus and Ultrablack bulls. Papers available on 316-318. Heifer 319 is commercial and no papers are available.**

*Quail Valley Farms*

## Schedule of Events

Saturday, November 12<sup>th</sup>

12:00 PM **OPEN TANK ONLINE EMBRYO SALE**  
bidding opens at close of commercial  
female sale.

Monday, November 14<sup>th</sup>

2:00 PM **Quail Valley OPEN TANK Online  
Embryo Sale closes**

# Complete Open Tank Embryo Sale

**500+ Embryos to be Offered  
Santa Gertrudis, Brangus & Ultrablack**

EMBRYO SALE INFORMATION

We are offering an open tank sale of QVF embryos. As has been discussed, we have gone to great lengths to identify and own some of the top genetics in the breed. We are choosing to share those genetics and that germplasm through these embryos. These are matings we have put in our cows, have calves on the ground or progeny mates in the sale. Their dam are proven donors or cutting-edge yearling superstars that we can't wait to see progeny out of. We invite you to participate in our online auction and to remember our 40% guarantee if the work is done by a Trans Ova approved technician. (That's a better guarantee than you will get if you put your own embryos in.)

## Embryos selling online at [www.CattleEmbryoAuctions.com](http://www.CattleEmbryoAuctions.com)

### Bidding & Buying

Buyers can use their current DVAuction.com buyer login and password. To register for a new buyer login, go to [www.CattleEmbryoAuctions.com](http://www.CattleEmbryoAuctions.com). *It is recommended to register 24 hours prior to the online auction.*

### Terms

Terms of the sale are cash or check due at the close of the auction. An invoice will be sent out immediately after sale closeout. All checks need to be made payable to:

American Marketing Services  
PO Box 10  
Wheelock, TX 77882

*\*Please contact Trey Kirkpatrick at (979)324-5518 with any questions regarding payment.*

### Guarantees

Quail Valley Farms guarantees a minimum of 40% conception rate on each lot of embryos if the transfers are done by Trans Ova Genetics (guarantee based on, and honored off of, a 90 day palpation of recipient). Should a 40% conception rate not be achieved on a lot of embryos, Quail Valley Farms will make up the shortfall with embryos of the same mating or embryos of the same quality as mutually agreed upon by the seller and buyer.

### Embryo Location

All embryos are located at Trans Ova Genetics in Bryan, Texas and are being sold FOB Trans Ova Genetics in Bryan, Texas. All embryos were collected and frozen by Trans Ova Genetics and are IVF embryos. Upon receiving payment, releases will be sent to Trans Ova. Contact at Trans Ova: Travis Rocha (979)587-9872 or [travisrocha@transova.com](mailto:travisrocha@transova.com)

Sire of Lots 470

## Terms & Conditions

### Bidding

Each animal will be sold to the highest bidder without reserve. The auctioneer will settle any disputes as to bids, and his decision on such matters shall be final.

### Terms

Each animal becomes the risk of the purchaser as soon as sold, but it shall be the obligation of the seller to see that animals are fed and cared for until loaded for shipment or until the expiration of 48 hours after the sale, whichever occurs sooner. After 48 hours a maintenance fee of \$5.00 per day will be assessed until pickup unless the female owner or ACE arranges shipment.

### Sight Unseen Purchases

Buyers may purchase females or bulls through the owners or American Cattle Enterprise personnel at auction without viewing the cattle. For sight unseen purchases, the buyer has the right of inspection at the time of delivery. If the animal is deemed unsatisfactory, it may be reloaded on the delivery truck and returned to female or bull owners ranch at no obligation to the buyer. All transportation expenses will be the responsibility of the seller. If the animal is deemed unsatisfactory within one week of the purchase, the buyer may at their expense, return the animal to the female owner's ranch for a full refund of the purchase price.

### Certificate of Registry

A transferred certificate of registry will be furnished to the purchaser for each registered animal once proper settlement has been made.

### Health

Health papers suitable for interstate shipment will be furnished on all animals.

### Announcements

Any changes from the information of any kind in this catalog will be provided in a sale day supplement sheet or announced from the auction block and such information shall take precedence over cataloged information.

### Breeding Guarantee

1. All animals are guaranteed to be breeders with the exception of: a) calves under 12 months of age; b) animals shown by purchaser after sale in which the guarantee (if any) shall be between the seller and the buyer; c) injury or disease occurring after the sale; d) gross negligence or willful misconduct on the part of the purchaser; e) death by any reason.
2. All bulls, including yearlings, have been tested as clear for Trichomoniasis.
3. Bulls noted as "Yearling" in the catalog have not had a Bovine Semen Evaluation (BSE). They are, however, fully guaranteed as breeders.
4. Safe in calf females have been examined by competent personnel and are so guaranteed.
5. Exposed females have been exposed but are not guaranteed to be safe in calf.
6. Open females have not been served and are so guaranteed.

7. All bulls, including yearlings, have been tested as clear for Trichomoniasis.
8. This is not a life insurance policy. Seller will not replace a dead animal if it is killed or dies for any reason. We would suggest that normal care still needs to be exercised toward these animals and that yearling bulls should be fed so they can continue to develop properly.

### Pregnancy Determination

The commercial females in this sale noted safe in calf have been determined pregnant by physical palpation or ultrasound technology. Our best estimate of service sire will be given in the case of the females with both an A.I. sire and a natural breeding sire.

### Options and Privileges of Return or Adjustment

1. All claims for adjustment or refund must be made in writing within six months of the sale date.
2. In the event an animal is claimed to be a non-breeder, the animal may be returned to owner's ranch, if in good condition and complying with the health requirements of their state. The seller shall be entitled to a six month trial following the return of the animal in which to prove that the animal is a breeder. If at the end of six months the seller is unable to prove the animal is a breeder, the seller shall at the option of the buyer replace the animal with another of equal value or issue a credit for the initial selling price. If the seller proves the animal to be a breeder, it shall be the obligation of the purchaser to take delivery of the animal and pay all expenses incurred for transportation.
3. If an animal is sold and at a later date proves not to be eligible for registration under association rules, the seller shall be obligated to make a satisfactory adjustment on the purchase price to the buyer, refund the purchase price or issue a credit for the initial selling price upon the return of the animal to the farm of the seller.
4. If an animal is sold and through DNA is proven to have incorrect parentage as represented by the certificate of registration, and for which the parentage can be determined, the seller shall be obligated to make a satisfactory adjustment on the purchase price to the buyer, refund the purchase price or issue a credit for the initial selling price upon the return of the animal to the farm of the seller.

### Rights and Obligations

1. The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be equally binding on both. Other than the guarantees and warranties stated above, no other warranties or guarantees are expressed or implied. Each sale or resale of an animal constitutes a separate transaction.
2. Neither female or American Marketing Service nor any other person connected with the management of the sale, assumes any liability, legal or otherwise.

The background of the entire page is a photograph of a farm scene. In the foreground, there are several dark-colored cows in a metal pen. The background is a misty, foggy landscape with rolling hills and trees. A large tree branch with vibrant red autumn leaves hangs down from the top left corner. The overall color palette is warm and autumnal, with browns, greys, and reds.
